

Agenda Item: 16-54 **Request Approval to Proceed to Public Comment and Hearing and Approval of the Fiscal Note for Amendments to Rule 15A NCAC 13B .0840: Sampling and Analysis regarding Septage Management**

Explanation: Tony Gallagher, Composting and Land Application Branch Head with the Solid Waste Section in the Division of Waste Management, will present a requested amendment to Rule 15A NCAC 13B .0840 regarding the frequency of soil sampling and analysis at permitted septage land application sites and request to proceed to public comment and hearing.

Recommendation: That the Environmental Management Commission grant approval to proceed to public comment and hearing and approve the fiscal note for Amendments to Rule 15A NCAC 13B .0840: Sampling and Analysis regarding Septage Management.
